

Thank you so much for purchasing the PLR rights to this product.

You'll see your license in the document called Licensing Agreement.

The best PLR works when you've made edits to the original file, speak in your voice and change the name of the product to your own.

The help you monetize your own product, you'll notice throughout this book, we've hyperlinked to many products.

You'll want to do 2 things.

1 – **Get your own affiliate links** and insert your own recommended products. For example, we like certain auto responders. You may have your own affiliates links to those products. Make sure you change out the links so you can get affiliate credit.

2- **In areas, where we've mentioned MyNAMS products**, you'll want to edit the language refer to them as recommendations with your own affiliate link.

All of these products are sold on Warrior Plus.

If you login to your Warrior Plus account then click this link
